PROMISE TO MY CHILD

"On this day, _____ ,

(date)

as a parent who believes deeply in the power of positive expectations,
I hereby affirm that my child,

_____ ,

(name)

is gifted with something special to give to the world.

And although I may not yet know what that special gift is,
I pledge and dedicate myself to helping my son
discover his passions, talents, and interests,
so that he may have the best chance
of living a happy and prosperous life."
